PROFESSIONAL EXPERIENCE & ACCOMPLISHMENTS

StraighterLine – Remote **04/2024 - 01/2026**
Lead FullStack Developer

- Spearheaded **complex enhancements** as ColdFusion/Lucee SME, providing **company-wide expertise** and guidance in **refactoring, bug resolution, & system optimization** for Early Childhood Education platforms.
- **Managed development escalations, facilitated code reviews, and resolved roadblocks**, acting as the primary **point of contact** for high-priority **technical challenges** while maintaining alignment with company goals.
- Led **innovation initiatives** by introducing **modern architecture upgrades** and **long-term feature enhancements** to legacy systems, improving **stability, scalability, documentation, and end-user experience**.
- Oversaw a **small technical team** and **mentored junior developers**, ensuring **streamlined task execution, agile deployment, and alignment** with standards across **distributed AWS infrastructure**.

Care Solutions, Inc (acquired by StraighterLine) – Remote **12/2020 - 04/2024**
Lead ColdFusion Developer

- Architected, developed, and maintained **Lucee application** for a **mission-critical Early Childhood Education** platform serving **national client bases**.
- Led full **SDLC execution** in **collaboration with technical and non-technical stakeholders**, enhancing **system responsiveness, user experience, documentation, & data reporting accuracy** under **tight delivery timelines**.
- Integrated **third-party tools** including **Azure-based services, Bitbucket, Jira, jQuery, and Microsoft SQL Server**, **streamlining CI/CD pipelines** and supporting the application's evolving **enterprise architecture**.

Collabera (Client: Wells Fargo) – Concord, NC **06/2020 - 10/2020**
ColdFusion Consultant

- Remediated **security vulnerabilities** including **cross-site scripting (XSS)** across three **ColdFusion 2016 applications**, **collaborating with internal security teams** to ensure **compliance** and **minimize breach risk**.
- Supported **platform transition planning** and **assessment efforts**, contributing **functional support** and **ColdFusion expertise** to facilitate **code review** and **technical evaluation activities**.

Extended Care Professionals – East Troy, WI **03/2020 - 05/2020**
Senior ColdFusion Developer

- Developed **custom reports** and enhanced **front-end display** using **DataTables** and **JavaScript**, improving visibility into **care operations** and enabling **dynamic CMS interfaces**.
- Implemented **advanced login security and code improvements** across **ColdFusion 10/2016/2018 environments** while supporting **rapid development operations** before architecture overhaul by new investors.

Collabera (Client: Wells Fargo) – Charlotte, NC**12/2018 - 03/2020****ColdFusion Consultant**

- Led ColdFusion modernization projects from v10 to v2016 across multi-application suites, resolving compliance blockers and reconfiguring AD-ENT-based authentication workflows.
- Maintained more than three dozen ColdFusion applications to ensure production stability, addressing server updates, uptime issues, and Windows Server security patching in collaboration with enterprise infrastructure teams.

E-Sultants (Client: Minneapolis Star Tribune) – Remote**09/2018 - 12/2018****ColdFusion Consultant**

- Delivered updates and legacy code improvements for internal ColdFusion applications, improving process automation and facilitating back-office efficiencies for newspaper client base.
- Provided remote ColdFusion and MySQL-based application development and server-side logic enhancements leveraging Git workflow and ColdFusion Builder.

CITM LLC – Orange Park, FL**11/2017 - 09/2018****IT Manager**

- Directed internal IT operations for accounting and merchant services providers, managing ColdFusion infrastructure, payment systems with PCI compliance, SSL certifications, and encrypted database access protocols.
- Oversaw server infrastructure, vendor coordination, security controls, backup strategy, customer systems integration, and hands-on ColdFusion and JavaScript development for web platforms and legacy technologies.

Additional Experience:**Outthink, LLC – ColdFusion Consultant • True Source IT, LLC – ColdFusion Consultant****Doherty Career Solutions – Senior Software Engineer • RSM Solutions, Inc. – ColdFusion Consultant****Robert Half Technology – ColdFusion Consultant • Mil-Tek Software Solutions – President/CIO, Board Member****TMR Network, LLC – President/CEO, Chairman of the Board • Troll Software Systems – Chief Technology Officer****Strategic Brand Delivery – Chief Technology Officer • Saphea / MCPI – Owner/CEO**

EDUCATION**Master of Business Administration (MBA)**University of Phoenix, Albuquerque Campus | *Magna Cum Laude***Bachelor of Science (BS), Business Administration**University of Phoenix, Albuquerque Campus | *Summa Cum Laude*

TECHNICAL SKILLS

ColdFusion • ColdFusion Builder • Lucee • MS SQL Server • Visual Studio Code • jQuery • JavaScript
HTML/CSS • Bitbucket • Git • AWS • Dreamweaver • Jenkins • Artifactory • Urban Code Deploy (uDeploy)
PAC2000 • SSL • PCI Compliance • SVN • Azure • React.js • PHP • Windows Server • Red-Gate • AI

CERTIFICATIONS

AWS Certified Cloud Practitioner • ColdFusion Technical Publications Contributor (CFDJ)

Python (In Progress) • Artificial Intelligence (AI) Training (In Progress)

CREDENTIALS

Prior Membership in MENSA and Toastmasters International

Published Author, ColdFusion Developers Journal
